

## INFORMATION ABOUT MOTOR VEHICLE TRANSACTIONS

With the town hall closed we are circulating important information about how to handle motor vehicle transactions. There is now a drop box at the back door of town hall to leave paperwork for certain transactions. Please call us and wait for us to call you back before leaving documents in the box (447-2840).

### RENEWALS

Renewals can be handled by mail. Renewal notices are still being sent out monthly. If you have lost your renewal notice or have questions about a renewal call the town hall and leave a message (447-2840). Please be sure to clearly state your name and phone number. Also give us the plate numbers for the vehicles you need to renew so we can be sure we are looking up the correct information.

### VEHICLES PURCHASED FROM A LICENSED DEALER

If you have a temporary 20-day plate for a newly purchased vehicle issued to you by a dealer it is valid until April 30, 2020. The town is not able to issue 20 day plates but we can arrange to register a vehicle if you did not receive a temporary plate. Please call and leave a message and we will get back to you.

### VEHICLES PURCHASED THROUGH PRIVATE SALE OR FROM AN OUT OF STATE DEALER

We can arrange an appointment to get these vehicles registered. Please call and leave a message and we will get back to you.

### HANDICAP PLACARDS AND PLATES

There is a six-month extension on expiring ones.
