## **Instructions for Submission of Application Materials**

The Planning Board meets on the second Wednesday of the month.

All applicants are advised to request a preliminary review of any subdivision, site plan review or boundary line adjustment prior to a formal application. Requests for a preliminary review should be made at least ten days before a scheduled meeting.

All applications must be received at the Town Office at least twenty (20) days prior to a meeting of the Board in accordance with Section 3:05(a) of the Subdivision and/or Section III(D) of the Site Plan Regulations. Applications must be signed by **all** property owners of record and accompanied by the appropriate fee and list of abutters as described below.

Any plans substantially revised after this time may trigger a continuance of the Public Hearing. Revised plans (six plats and one 11x17 copy of the plat) of any type must be in the Town Office **7 days** prior to the hearing date.

In addition to the submission requirements of the Subdivision and Site Plan Review Regulations, the applicant is required to submit enough 11x17 copies of the submitted plat for mailing to the abutters and other interested parties. Applicant must also submit a list of abutters with mailing addresses and map/lot numbers and three sets of mailing labels for notification of the abutters and any other parties required by statute to be notified.

The plat and any associated documentation shall also be submitted either electronically (email) or on disc as a pdf file.

If an agent is to represent the applicant(s), written authorization must accompany the application.

By submission of this application, the applicant grants permission to the Planning Board and/or its agents to conduct a site inspection without notice to the applicant.

If an application is approved by the Planning Board, a mylar with mailing tube and associated recording fees must be submitted to the Town Hall within 7 days for recording at the Carroll County Registry of Deeds.
